Kids Voting Shakopee

Kids Voting is a community-based, nonprofit, nonpartisan organization dedicated to educating Shakopee's youth about the importance of voting. Part of a national network of local affiliates, Kids Voting combines civic learning in the classroom, family dialog and an authentic voting experience on Election Day.

Kids Voting Needs Community Participation on Election Day, November 3, 2015

Volunteers are the heart of Kids Voting. With 21 polling sites within the Shakopee School District boundaries, Kids Voting needs many volunteers to help on Election Day. We invite civic organizations and businesses to get involved by adopting a precinct. Adopt-a-Precinct sponsors need 2 to 3 adult volunteers per shift to assist students with the voting process. Shifts are during non-school hours. We provide training, a sign acknowledging your sponsorship and list your organization in promotional materials.
